Midterm Goal

In ten years I will be a leader in a global industrial company working with quality and operations management.

Education

2010-2011 | Master of Science in Quality and Operations Management
Chalmers University of Technology | GOTHENBURG

- Grade 4,95 of 5 (scale U, 3, 4 and 5). 100% study tempo. Minor in IT 57,5 Hp.
- Master thesis internship at ABB Switzerland on service development for fast charging of electric cars. See <http://davidgustafsson.com/master-thesis>.

2010-2011 | Exchange student – first year of QOM Master
University of New South Wales | SYDNEY, AUSTRALIA

- Grade 6.875 of 7 (scale Fail = 1, High distinction = 7). 100% study tempo.

2006-2009 | Industrial Engineering and management, Bachelor Degree
Chalmers University of Technology | GOTHENBURG

- Grade 4,95 of 5 (scale U, 3, 4 and 5). 100% study tempo. Minor in IT 57,5 Hp.

2003-2006 | Upper secondary high school special program in Engineering
ABB Industrigymnasium | VÄSTERÅS

- Grade 19,87 of 20. 3300 points extended industrial program. 18 weeks work placement within production at ABB Motors, ABB University, Bombardier and Twin Lakes Metal.

Work Knowledge

2008, 2009 and 2010 – Summer | MatLab, Database applications and Wiki
ABB FACTS | VÄSTERÅS

- Worked with IT development. Mostly with building tools for advanced simulation and calculations in MatLab.

2009 – Winter | Research data collector on Swedish CTO:s
Chalmers University of Technology | GOTHENBURG

- Data collection for technology management research on Swedish CTO:s.

2006-2008 – Summer and Winter | Warehouse worker
ICA | VÄSTERÅS

- Spare time fork lift truck driver at ICA central warehouse in Västerås.

2005 – Summer | Metal worker

Twin Lakes Sheet Metal | UPPER HUT, WELLINGTON, NEW ZEALAND

- Welding, drilling and other work shop tasks part of high school exchange.

Language

I am fluent in English, Swedish and have basic knowledge in written/oral Spanish and German.

General

2010 | Consulting

- Founded a consultancy company within IT and Operations Management.
www.techonomics.se

2004-2006 | Enterprising

- Founded a golf Innovation company in my early years manufacturing everlasting golf tees.

2007-2008 | Math mentor

- In Intize, www.intize.org. I was responsible for secondary school in Gothenburg. The organization helps students in need of mathematical support.

2009 | Java tutor

- For a Java programming course, TDA143, at Chalmers University of Technology at undergraduate university level.

License

- Driving license for car (Swedish license B)
- Fork lift truck license

Computer/programming knowledge

High level of knowledge

- OO-programming knowledge in MatLab, PHP and Java environments.
- Statistics with both SPSS and Minitab.
- Microsoft Office, Windows XP, Vista and 7.
- Web application development using among others Hibernate and Spring Frameworks in J2EE.
- Simulation experience using Simul8 and MatLab.
- Wordpress.

Intermediate level of knowledge

- SAP and Microsoft Navision.
- Linux, Mac and Android.
- CAD using Solid Works and Auto Cad.

Interests

I enjoy hunting, outdoor activities and sports. Finished a *Swedish classics* ("Svensk Klassiker") consisting of 90 km cross country skiing, 30 km running, 300 km race cycling and 3 km swimming below 24 hours in 2008.
